2022 NAUTILUS

Vehicle imagery throughout this brochure may be computer-generated and may include available equipment and Lincoln Accessories.

ALWAYS BEGIN ON A BRIGHT NOTE

Each time you approach, the 2022 Lincoln Nautilus® SUV greets you with a warm embrace. Available dynamic LED signature lighting flows gracefully outward beneath the available advanced LED multi-projector headlamps. Backlit door handles extend an invitation, while luminous Lincoln welcome mats appear on the ground. The available ambient lighting beautifully illuminates the elegant interior, and the autofold power sideview mirrors with available memory deploy to your personalized settings as you take your seat. Every departure brings the opportunity for new adventures in your Nautilus SUV.

INDULGE IN DISTINCTIVE DESIGN

Wherever your journeys lead, Lincoln Nautilus® interior is thoughtfully designed to help you revitalize and recharge along the way. Configure the gracefully curved 12.3" digital instrument cluster to your liking using controls on the hand-stitched leather-wrapped steering wheel. Enjoy your favorite podcast while your phone rests on the available wireless charging pad[1] inside the media bin. And do it all while relaxing in the available Ultra Comfort front seats with 22-way power adjustability – including power thigh extenders and head restraints – plus, ventilated settings and Active Motion® massage functionality. They can even help reduce muscle fatigue in your upper legs and lower back after a long day of driving. Yet another reason to make the Nautilus SUV yours.

[1]Available Qi wireless charging may not be compatible with all mobile phones.

U.S. model shown.

REVEL HARMAN

ENGAGE WITH DYNAMIC AUDIO

The available Revel® and Revel Ultima Audio Systems deliver finely crafted sound in full. With personalized listening modes like “Stereo,” “Audience” and “On Stage,” you have the freedom to experience different levels of sound immersion for any journey. Outstanding, multi-dimensional sound is courtesy of 13 carefully placed speakers in the Revel system and 19 in the Revel Ultima system. Include advanced cabin correction tuning, QuantumLogic® Surround sound technology and Revel Waveguides, and the level of precision isn’t just heard – it’s felt.

DISCOVER UNCOMPROMISING COMFORT

The Lincoln Nautilus® SUV is designed to be your sanctuary, from the sound dampening materials beneath its plush carpeting to the acoustic-laminate glass in its front doors and windshield. The artisans of Lincoln even utilize the audio systems in their quest for quiet. By sending precisely chosen sound waves through your speakers, Active Noise Control helps cancel out unwanted noise and refines engine sounds.

Dramatic, flowing suspension bridge-inspired styling connects the instrument panel and center console while creating space for your travel essentials. And it's easy to keep your devices charged with a wireless charging pad,[1,2] three 12V powerpoints and two smart-charging USB ports[1] (1 USB-A and 1 USB-C) – two ports in the media bin and two in the rear seat.

To access the spacious rear cargo area, simply kick your foot beneath the rear bumper with your key fob tucked away in a pocket or bag. The available hands-free liftgate effortlessly opens to reveal a flat load floor with both sides of the EasyFold® 60/40 split rear seat folded down. After you've loaded your cargo, close the liftgate with the press of a button or another kick.

[1]Available feature. [2]Available Qi wireless charging may not be compatible with all mobile phones.

LINCOLN
SYNC® 4

VOICE-ACTIVATED SIMPLICITY

Introducing SYNC 4 on the 2022 Lincoln Nautilus® SUV. SYNC 4 makes it easy to listen to your favorite music, handle phone calls and more, while you're on the go.[1] It all works through simple voice commands and the controls on your steering wheel. The system also includes Apple CarPlay®[5] compatibility[2] and Android Auto™[6] compatibility.[2]

SYNC 4 AppLink®[3] gives you voice control of compatible mobile apps on your connected phone, too.

SYNC 4 with Voice Recognition, 13.2" LCD capacitive touchscreen, Touchscreen Navigation system, Pinch to Zoom capability, wireless phone connection, wireless Apple CarPlay®, Android Auto™ compatibility, Digital Owner's Manual, and smart-charging USB ports (1 USB-A and 1 USB-C).

APPLE CARPLAY® & ANDROID AUTO™ COMPATIBILITY

Apple CarPlay®[5] allows you to connect the compatible iPhone and get access to features like:
- Apple Music®
- Siri® to send and receive hands-free text messages

Android Auto™[6] allows you to connect the compatible Android smartphone to get access to features like:
- Google Maps™
- Google Assistant™ virtual personal assistant, for pass through voice commands

U.S. model shown.

[1]Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. [2]Requires phone with active data service and compatible software. SYNC 4 does not control third-party products while in use. Third parties are solely responsible for their respective functionality. [3]Commands may vary by phone and AppLink® software. [4]Available feature. [5]Apple CarPlay® and its functions are products of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan. All features supported in Middle East countries are available. [6]Android Auto™ and its functions are products of Google and its terms and privacy statements apply. Requires compatible Android smartphone with Android Auto™ app on Google Play and data plan. All features supported in Middle East countries are available.

TURBOCHARGE YOUR DAY

For a virtually instantaneous surge of power on demand, the Lincoln Nautilus® Reserve and Presidential offer you a Twin-Turbocharged 2.7-liter V6 engine. Paired with Intelligent all-wheel drive (AWD), the 2.7-liter combines turbochargers with direct fuel injection and twin-independent variable camshaft timing (Ti-VCT) to produce an inspirational 335 horsepower[1,2] and 515 Nm of torque.[1,2]

DELIGHT IN EVERY DRIVE

The foundation of the all-turbocharged Nautilus engine lineup is the Turbocharged 2.0-liter I-4. It uses a twin-scroll, low-inertia, single turbocharger to produce 250 horsepower[1,2] and 380 Nm of torque.[1,2] A broad torque curve means it offers you plenty of torque through the powerband for sustained acceleration.

EXPERIENCE AN ELEGANTLY SMOOTH RIDE

Both the Turbocharged 2.0-liter I-4 and Twin-Turbocharged 2.7-liter V6 are paired with an 8-speed SelectShift® automatic transmission designed to provide the right gear at the right time, contributing to driveability, smoothness and refinement. Both engines also feature Auto Start-Stop Technology that can shut the engine off when the vehicle comes to a complete stop to help save fuel. When you release the brake pedal, the engine seamlessly restarts.

[1]Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. [2]Horsepower and torque ratings are independent attributes and may not be achieved simultaneously.

GLIDE EFFORTLESSLY

Imagine yourself gliding effortlessly along – at peace with your surroundings. The available Adaptive Suspension can take you there by helping to isolate your Lincoln Nautilus® SUV from road imperfections. Engage the Sport drive mode to enjoy tighter suspension tuning, firmer steering calibration, and more powerful engine sounds in the cabin – all while feeling steadfastly connected to your vehicle and the road.

The Intelligent all-wheel drive (AWD) goes beyond helping to enhance overall handling. Designed to help save fuel, AWD Disconnect can enable or disable driveline torque to the rear wheels, seamlessly and automatically, without the driver having to engage the system at all. So you can focus on the joys of your drive.

THE LINCOLN WAY

Along with your new Lincoln Nautilus® SUV, you'll enjoy the benefits of a personalized relationship with the team at your Lincoln Distributor. From exploring finance options to demonstrating your vehicle's technologies, we're dedicated to delivering an ownership experience that exceeds your expectations. It's all part of The Lincoln Way.

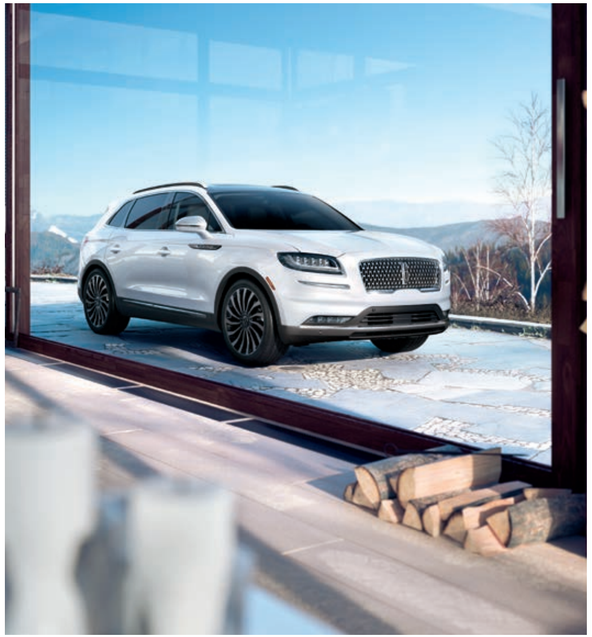

Presidential

WELCOME

Lincoln Presidential is your invitation to a uniquely elevated automotive experience, one that revolves around you. Our 2022 collection features carefully curated design themes inspired by the love of travel and culture. Which one speaks to you? Explore them at your leisure at your Lincoln Presidential Distributor or another place of your choosing.

CHALET

The striking Chalet theme evokes the contrasting pleasures of cool, crisp mountain air and the warmth of an après-ski lodge. Venetian leather seats feature the Lincoln Star perforation pattern inserts. Espresso- and Alpine-colored leathers combine with the softness of an Alcantara® headliner and the beauty of Silverwood appliqués to create a welcoming space that inspires rejuvenation.

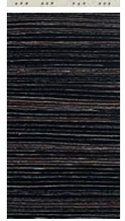

INTERIOR PALETTE

FLIGHT

Elevate the sophistication of your travels with the Flight theme. Runway perforation patterned inserts give the Luggage Tan-colored leather seating surfaces a uniquely linear elegance, while Dark Full Engine Turn aluminum appliqués frame the instrumentation, evoking the sleekness of aircraft design. Metal cuff accents on the Ebony Velour carpeted floor mats give the cabin its finishing touches.
